#### **II.2.4) Description of the procurement**

Winchester City Council (the council) has a robust asset management plan and is committed to maintaining it's housing stock in line with the national housing quality and decent homes standards and relevant legislation.

The council is responsible for c.5,000 properties across the Winchester district and has formulated a 30 year maintenance and replacement programme which identifies roofing replacement works and due dates and the Council has engaged external contractors to undertake the works.

The council has appointed a maximum of six contractors to provide roof replacement works throughout the year across the District of Winchester via this framework agreement.

The framework is established for use by Winchester City Council only. It is envisaged circa 250 roofs p.a may be replaced across Winchester's administrative district issuing work orders for roof replacement works although no guarantees can be given regarding anticipated volumes.

The contract area will cover Winchester, Alresford, Bishops Waltham, Denmead, Whiteley and Wickham and rural areas and villages surrounding these settlements. It encompasses an area of around 250 square miles

It was envisaged that the framework would be divided into two lots and applicants applied for one lot only and tender for work packages issued by the council based on two value bands; Lot 1 for work estimated to be
