- Provide stable, safe effective alternative care at the right time and for the right length of time and which are responsive to individual needs, circumstances and choice;

.

- increase the amount of approved Foster Carers for RMBC to meet current and future sufficiency requirements for looked after children

.

The objective of the service is to:

.

- develop and deliver a marketing and engagement strategy utilising a range of media channels to create a broad pipeline of prospective Foster Carers for Rotherham.
