Planning

Market Engagement - Request for information, Compressor Projects

NATIONAL GAS TRANSMISSION PLC

F04: Periodic indicative notice – utilities

Periodic indicative notice only

Notice identifier: 2023/S 000-018594

Procurement identifier (OCID): ocds-h6vhtk-03dda9

Published 29 June 2023, 5:06pm

Section I: Contracting entity

I.1) Name and addresses

NATIONAL GAS TRANSMISSION PLC

National Grid House, Warwick Technology Park Gallows Hill

WARWICK

CV346DA

Contact

National Gas Transmission Procurement

Email

box.gas.gtm.proc.findatender@nationalgrid.com

Country

United Kingdom

Region code

UKG13 - Warwickshire

Companies House

02006000

Internet address(es)

Main address

<https://www.nationalgas.com/>

I.3) Communication

Additional information can be obtained from the above-mentioned address

I.6) Main activity

Production, transport and distribution of gas and heat

Section II: Object**II.1) Scope of the procurement****II.1.1) Title**

Market Engagement - Request for information, Compressor Projects

Reference number

45255000

II.1.2) Main CPV code

- 45250000 - Construction works for plants, mining and manufacturing and for buildings relating to the oil and gas industry

II.1.3) Type of contract

Works

II.1.4) Short description

National Gas Transmission (NGT) is seeking market feedback in relation to their procurement and contract strategy which seeks the creation of strategic delivery partnerships for the delivery of upgrade and new installations at high-pressure gas compression sites and asset health works. New compressors will be required in some locations. Asset Health refers to the replacement, refurbishment and decommissioning of above and below ground mechanical and civil assets and associated electrical works. NGT are currently exploring a strategy to optimise investment five priority sites and a significant amount of investment required across the 28 compressor units on the UK network that will become non-compliant with MCPD legislation by 2030 (Medium Combustion Plant Directive). The purpose of this PIN is to obtain market feedback and engagement and to seek feedback in relation to a number of areas of the developing asset management contracting strategy.

II.1.5) Estimated total value

Value excluding VAT: £500,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 42110000 - Turbines and motors
- 42120000 - Pumps and compressors
- 71320000 - Engineering design services
- 79415200 - Design consultancy services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

Locations on the UK mainland.

II.2.4) Description of the procurement

National Gas Transmission (NGT) is seeking market feedback in relation to their

procurement and contract strategy which seeks the creation of strategic delivery partnerships for the delivery of upgrade and new installations at high-pressure gas compression sites and asset health works. New compressors will be required in some locations. Asset Health refers to the replacement, refurbishment and decommissioning of above and below ground mechanical and civil assets and associated electrical works. NGT are currently exploring a strategy to optimise investment five priority sites and a significant amount of investment required across the 28 compressor units on the UK network that will become non-compliant with MCPD legislation by 2030 (Medium Combustion Plant Directive). The purpose of this PIN is to obtain market feedback and engagement and to seek feedback in relation to a number of areas of the developing asset management contracting strategy.

National Gas is seeking a broad response from several category sectors of programme delivery including but not limited to:

Professional services including engineering, design, project management, PMO and project support services;

Compressor train and gas-turbine designers, manufacturers, engineers, installers and maintainers;

Design-and-build contractors (including Engineering Procurement and Construction or EPC), main-works-civils contractors, tier 1-2 delivery contractors and subcontractors.

II.2.14) Additional information

This request-for-information (notice and market questionnaire) is intended for information gathering only.

II.3) Estimated date of publication of contract notice

1 March 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.2) Time limit for receipt of expressions of interest

Date

14 July 2023

Local time

5:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English
