## **Market Engagement - Request for information, Compressor Projects**

NATIONAL GAS TRANSMISSION PLC

F04: Periodic indicative notice – utilities

Periodic indicative notice only

Notice identifier: 2023/S 000-018594

Procurement identifier (OCID): ocds-h6vhtk-03dda9

Published 29 June 2023, 5:06pm

### **Section I: Contracting entity**

#### **I.1) Name and addresses**

NATIONAL GAS TRANSMISSION PLC

National Grid House, Warwick Technology Park Gallows Hill

WARWICK

CV346DA

#### **Contact**

National Gas Transmission Procurement

#### **Email**

[box.gas.gtm.proc.findatender@nationalgrid.com](mailto:box.gas.gtm.proc.findatender@nationalgrid.com)

#### **Country**

United Kingdom

**Region code**

UKG13 - Warwickshire

**Companies House**

02006000

**Internet address(es)**

Main address

<https://www.nationalgas.com/>

**I.3) Communication**

Additional information can be obtained from the above-mentioned address

**I.6) Main activity**

Production, transport and distribution of gas and heat

---

**Section II: Object**

**II.1) Scope of the procurement**

**II.1.1) Title**

Market Engagement - Request for information, Compressor Projects

Reference number

45255000

**II.1.2) Main CPV code**

- 45250000 - Construction works for plants, mining and manufacturing and for buildings relating to the oil and gas industry

**II.1.3) Type of contract**

Works

**II.1.4) Short description**

National Gas Transmission (NGT) is seeking market feedback in relation to their procurement and contract strategy which seeks the creation of strategic delivery partnerships for the delivery of upgrade and new installations at high-pressure gas compression sites and asset health works. New compressors will be required in some locations. Asset Health refers to the replacement, refurbishment and decommissioning of above and below ground mechanical and civil assets and associated electrical works. NGT are currently exploring a strategy to optimise investment five priority sites and a significant amount of investment required across the 28 compressor units on the UK network that will become non-compliant with MCPD legislation by 2030 (Medium Combustion Plant Directive). The purpose of this PIN is to obtain market feedback and engagement and to seek feedback in relation to a number of areas of the developing asset management contracting strategy.

### **II.1.5) Estimated total value**

Value excluding VAT: £500,000,000

### **II.1.6) Information about lots**

This contract is divided into lots: No

## **II.2) Description**

### **II.2.2) Additional CPV code(s)**

- 42110000 - Turbines and motors
- 42120000 - Pumps and compressors
- 71320000 - Engineering design services
- 79415200 - Design consultancy services

### **II.2.3) Place of performance**

NUTS codes

- UK - United Kingdom

Main site or place of performance

Locations on the UK mainland.

### **II.2.4) Description of the procurement**

National Gas Transmission (NGT) is seeking market feedback in relation to their

procurement and contract strategy which seeks the creation of strategic delivery partnerships for the delivery of upgrade and new installations at high-pressure gas compression sites and asset health works. New compressors will be required in some locations. Asset Health refers to the replacement, refurbishment and decommissioning of above and below ground mechanical and civil assets and associated electrical works. NGT are currently exploring a strategy to optimise investment five priority sites and a significant amount of investment required across the 28 compressor units on the UK network that will become non-compliant with MCPD legislation by 2030 (Medium Combustion Plant Directive). The purpose of this PIN is to obtain market feedback and engagement and to seek feedback in relation to a number of areas of the developing asset management contracting strategy.

National Gas is seeking a broad response from several category sectors of programme delivery including but not limited to:

Professional services including engineering, design, project management, PMO and project support services;

Compressor train and gas-turbine designers, manufacturers, engineers, installers and maintainers;

Design-and-build contractors (including Engineering Procurement and Construction or EPC), main-works-civils contractors, tier 1-2 delivery contractors and subcontractors.

#### **II.2.14) Additional information**

This request-for-information (notice and market questionnaire) is intended for information gathering only.

### **II.3) Estimated date of publication of contract notice**

1 March 2024

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: No

### **IV.2) Administrative information**

#### **IV.2.2) Time limit for receipt of expressions of interest**

Date

14 July 2023

Local time

5:00pm

#### **IV.2.4) Languages in which tenders or requests to participate may be submitted**

English

---

## **Section VI. Complementary information**

### **VI.3) Additional information**
