II.1.4) Short description

Nottinghamshire County Council (NCC) is seeking to establish a single provider framework for the supply and management of supporting telephony infrastructure. The requirement is being let as 3 lots:

Lot 1. Telephony Infrastructure (traditional and SIP based)

Lot 2. Mobile Voice & Data provision

Lot 3. Contact Centre platform

All the above 3 lots will be awarded to a single Supplier. Bidders must note that the Council will only accept bids from Suppliers who are able to deliver the requirement in full inclusive of these 3 lots. Suppliers bidding for only one and / or two lots will be rejected.

The Council recognises that Suppliers may not be able to deliver all these services directly themselves and may need to work in partnership through sub-contracting arrangements with other more specialist Suppliers. The Council welcomes these arrangements and bidders will be given the opportunity to outline their delivery of these services as part of their bid proposals.

The framework will be for used by Nottinghamshire County Council and Contracting Authorities in England and Wales. The Council will be charging the winning Supplier a management fee of 1% based on the value of each call-off contract made by other contracting authorities.
