II.1.1) Title

New Museum Project - Trade Package: Partitions, Drylining and Ceilings (General Market)

Reference number

TP7050GM

II.1.2) Main CPV code

- 45212313 - Museum construction work

II.1.3) Type of contract

Works

II.1.4) Short description

The Museum of London is looking to procure a contract to provide partitioning, drylining and ceiling works to the General Market as part of its New Museum Project at West Smithfield working under its appointed Construction Manager. Further detail relating to the expected scope of works is included later in this notice.

II.1.5) Estimated total value

Value excluding VAT: £4,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45421141 - Installation of partitioning
- 45421152 - Installation of partition walls
- 45421146 - Installation of suspended ceilings

- 45324000 - Plasterboard works

II.2.3) Place of performance

NUTS codes

- UKI31 - Camden and City of London

Main site or place of performance

Camden and City of London

II.2.4) Description of the procurement

These Trade Contract Works shall comprise the planning, sequencing, management, Trade-Contractor Design including connections, coordination, project specific method statements, technical submittals, surveys, risk assessments, procurement, manufacturing, delivery, offloading, storage, distribution, setting out, positioning, installing, and handover of the complete Drylining, partitions and ceilings including, but not limited to:

1.Provision to allow installation of flush skirting with shadow gap beads to be incorporated into fire / acoustic rated partitions.

2.Angle reinforcements behind boards at re-entrant corners.

3.Install fire / acoustic seals.

4.Allow for DPC installation under partitions according to construction information.

5.Cavity insulation

6.Structural movement joints

7.Sealant: Gyproc FireStrip, soft extruded intumescent gap sealer

8.Continuous beads of acoustic sealant, fire rated where required, around the perimeter of the framing or to the outer edges of the board, ensuring all air paths are sealed.

9.In shaft walls the core board is to be bedded onto continuous beads of fire rated sealant and board joints of the outer layer to be sealed to the inner layer with continuous beads of fire rated sealant.

10.Removal of any COSHH waste.

11.All access for the works.

- 12.All horizontal movement of materials.
- 13.Comply with required recycled content.
- 14.Making good around cut-outs made by MEPH contractors.
- 15.Strengthening studs around door openings and wherever necessary.
- 16.Form box outs around building services.
- 17.Construct all necessary bulkheads in all types of ceilings.
- 18.Form openings in both partitions and suspended ceilings for access panels, grilles and the like including any structural supports that may be required.
- 19.Form all necessary openings for building services penetrations (e.g. pipework, ductwork, cables etc.) including all necessary secondary steelwork/support work.
- 20.Provide and install all necessary structural support, noggins and pattresses within the stud partitions and ceilings to support building services, fixtures, fittings and signage.
- 21.Make good using acoustic and/or fire stopping around service penetrations and at interfaces with other elements up to 150mm in width.
- 22.All insulation to ensure the fire and acoustic performance is achieved in line with the specifications.
- 23.All abutments, angles, junctions, and fair ends.
- 24.All acoustic and non-acoustic deflection head details.
- 25.Allowing for reduced stud centres where required.

and other items and described in the Procurement Documents

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £4,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

13 September 2023

End date

27 September 2024

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

The Museum of London reserves the right to use sectional completion and/or other methods whereby services may be called off in sections dependent on the needs to the project and overall programme.
