II.2.2) Additional CPV code(s)

- 85111300 - Gynaecological hospital services

II.2.3) Place of performance

NUTS codes

- UKJ - South East (England)

Main site or place of performance

Within the North West Surrey region.

II.2.4) Description of the procurement

1 year contract for 2024-25. The contract is to provide a direct access route for polyp removal for local GP's.

Local GPs will be able to refer patients to ASPH Gynaecology Dept. to triage. ASPH will then outsource to the subcontractor to perform the surgical operations.

The subcontractor must offer a minimum of 10 surgical appointments per month.

The subcontractor must offer pricing at or below the current national tariff rate minus MFF, on a cost per case basis.

Activity will be low volume and variable. There is no guaranteed volume and no minimum charge will be accepted.

II.3) Estimated date of publication of contract notice

5 July 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
