Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

With Reference to SPD Question 4B1.1, Turnover for each year stated must be the estimated contract value stated in the Contract Notice i.e. turnover must be at least GBP125,000 if you have applied for one of the Lots under this Lotted Contract and GBP250,000 if you have applied for two of the Lots under this Lotted Contract in each year specified.

With reference to SPD question 4B.4, tenderer are required to state the value for the following financial ratio:

Current Ratio (Liquidity Ratio)

(Total Current Assets divided by total current liabilities)

The acceptable range for this financial ratio is:

>0.99

With reference to SPD question 4B.4, tenderer are required to state the value for the following financial ratio:

Net Profit Margin

With reference to SPD question 4B.5 Insurances, please confirm the following:

4B.5.1a - Employers Liability Insurance, hold a policy providing as a minimum GBP 2 million cover Pass/Fail

4B.5.1b - Public Liability Cover, hold a policy providing as a minimum GBP 5 million cover Pass/Fail

4B.5.2 - Professional Indemnity Insurance, hold a policy provided as a minimum GBP 5 million cover Pass/Fail

Any supplier unable to meet, or unwilling to commit to obtaining the required insurance levels, will be deemed non-compliant and their

submission will not be evaluated any further.

(Net profits divided by revenue x 100)

The acceptable range for this financial ratio is:

>0 (i.e positive) Minimum level(s) of standards required:

III.1.3) Technical and professional ability

List and brief description of selection criteria

With reference to SPD Question 4C.1.2 Provide three (3) examples from the last five (3) years of providing services outlined in the

Specification & document. Examples provided must demonstrate working with SHTM 00: Best practice guidance for healthcare

engineering, SHTM 06-02: Electrical safety guidance for low voltage systems and within NHS or Healthcare Environment. Tenderers

should ensure to highlight the relevancy of their case study, giving detailed account of the services carried out. Pass/Fail

With reference to SPD Question 4C.7 Bidders will be required to confirm that they will employ environmental management measures that

meet the following requirements:

-The supplier should eliminate all non-essential packaging, and where packaging is essential, the supplier should remove this from site for

their own recycling.

-If an item is required for repair, remove damaged item from NHSGGC site and take for own recycling, including all packaging associated.

-Any vehicles to be turned off while on NHSGGC sites to reduce carbon emissions.

-Number of visits/deliveries limited where possible? Operational alarms to sound when maintenance is required to save unnecessary trips.

-Are materials used supporting circular economy (are they designed to last a long time – less pollution and less maintenance required).

b)The contractor must hold a Special Waste Licence from the Scottish Environment

Protection Agency (SEPA)

Pass/Fail

With reference to SPD Question 4C8.1

i) Please provide average annual manpower against the following categories of staff:

- Managing Partner or Director
- Contract Manager and Deputy or equivalent
- Site/Works Supervisor
- Electrical and Mechanical Trades People

ii) The following resource levels are mandatory and are considered to be a minimum appropriate level:

-Managing Partner or Director: Names escalation point of contact for contract management.

-Contract Manager and Deputy or equivalent: Must be suitably qualified, competent person, satisfying all requirements requested within

this specification and have all the authority to resolve all problems across all sites and locations.

-Site/Works Supervisor: Single point of contact for individual works on site. Resource to be maintained throughout the life of the project

and have a minimum 3 years' experience supervising a team on projects. Pass/Fail

-Electrical and Mechanical Trades People: A minimum 3 years' experience of conducting electrical and mechanical works in line with the NHS GGC specification for this procurement.

With reference to SPD Question 4C.9 Bidders must provide current calibration certificates for all test equipment. Pass/Fail

With reference to SPD Question 4C.10 Provide details of the proportion of the contract that you intend to subcontract and information of

the name of the subcontractor. A completed SPD will be required for each subcontractor if

awarded to the Contract. Pass/Fail

With reference to SPD Question 4D.1

a. UKAS (or equivalent) accredited independent third party certificate of compliance in accordance with BS EN ISO 9001 (or equivalent).

b. Documented procedures for periodically reviewing, correcting and improving quality performance including processes for ensuring that

the bidder's quality management is effective in reducing/preventing incidents of sub-standard delivery. This must include the quality of

output and general performance.

c. Bidders should hold and evidence or commit to obtain, within 6 months of the contract start date, a whistleblowing policy consistent with

the National Whistleblowing Standards that can be found at the following link:

<https://inwo.spsso.org.uk/national-whistleblowing-%20standards>

With reference to SPD Question 4D.2 Bidder be able to produce UKAS (or equivalent) accredited independent third party certificate of

compliance in accordance with BS EN ISO 14001 (or equivalent) or a valid EMAS (or equivalent) certificate.

III.2) Conditions related to the contract

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV. Procedure

IV.1) Description

that the contractor may receive by virtue of being appointed.

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at

<http://www.publiccontractsscotland.gov.uk>

The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility. A user guide is available at http://www.publiccontractsscotland.gov.uk/sitehelp/help_guides.aspx.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the

closing time to avoid any last minute problems.

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

It is a mandatory requirement that the potential contract participant agree to support the

concept, provision and ongoing development of
community benefits provision in relation to this contract.

Potential contract participant is required to agree to this mandatory requirement. They are also requested to provide a brief summary of the

community benefits that have recently been delivered within Scotland, if at all, and also what impact and outcomes these have achieved.

Potential framework participants are required to summarise any proposed community benefits that will be developed and delivered as part

of this contract if successful or, alternatively, potential framework participants confirm that they will engage with the NHS Scotland's

Community Benefits Gateway (CBG). This gateway, developed through requests from suppliers seeking opportunities to support the

delivery of community benefits within the contracting region, provides information on community benefit opportunities. The CBG is a free

and easy to use online service that connects NHS Scotland suppliers with third sector community organisations within Scotland and will be

used for tracking and reporting and is an approved compliant route to the realisation of community benefits.
