Main site or place of performance

Norfolk

#### **II.2.4) Description of the procurement**

This is an award of a contract under the Health Care Services (Provider Selection Regime) Regulations 2023 - Competitive Process. The service is for a tier 2 weight service for children and young people in Norfolk.

A framework agreement has not been established for this requirement and a framework agreement was not used to procure this contract.

The contract is for 36 months with the right to extend for a further 48 months ( 2 periods of 24 months each). The contract is to start 1 October 2024.

The value included in this notice is for the first 36 months not including VAT or any inflation increases agreed by the Council in accordance with the terms and conditions of this

contract.

This contract is for a new stand alone service. The previous service was delivered as part of the contract for the Council's Healthy Child Programme. This is a new provider.

No conflicts of interest were declared during the procurement process.

The decision makers were the Council's Head of Complex Transactions and Sourcing and the

Council's Assistant Director - Public Health Commissioning.

#### **II.2.5) Award criteria**

Quality criterion - Name: Quality / Weighting: 90

Price - Weighting: 10

#### **II.2.11) Information about options**

Options: Yes

## Description of options

The agreement can be extended after the initial term of 3 years for 2 periods of 24 months each ( i.e. 48 months in total)

### **II.2.14) Additional information**

This contract has been awarded to the provider stated in this notice as their submission scored the highest for both quality and cost. In terms of key criteria, their bid was the lowest

for price and hence value. In terms of quality and innovation their response demonstrated an evidenced based model with good course content and a plan for growth. Their co-production

processes and feedback mechanisms were good. The provider demonstrated an excellent approach and offer to social value including volunteering and a robust approach to net zero

commitments. In terms of access, reducing health inequalities, sustainability, integration and collaboration, the winning provider demonstrated a good plan for working in collaboration with partners in Norfolk and also a wide variety of access and marketing channels. The winning provider demonstrated a focus on health inequalities and an approach to improve these.
