Cantium Business Solutions Limited (Cantium) is a Local Authority Trading Company (LATCo), whose ultimate parent company is Kent County Council (KCC). Cantium provides tailored ICT, HR and Finance services to its customers across the UK within the Education, Local Authority, Health and the Private sector. As a LatCo we are proud of our Public Sector heritage, which has given us a foundation in business delivery and infrastructure insight. This uniquely enables us to drive innovation and progressive practices to deliver the best value for our clients.

Cantium is looking for a Contact Centre software solution for use primarily by ourselves but with the option to resale by Cantium to our customers.

Any contractual offer made will be against a zero-value agreement as any sales will be based on best value for ourselves and for our customers.

This Agreement is for a 36 months term based on an initial fixed 12 month period, after which a 3 months break clause may be applied to the balance of the term by the buyer. The contract will expire in its entirety after the 36 months unless the break clause is applied earlier, or it is extended.

The buyer has the right to request up to two x 12-month extensions to this contract, providing the supplier with a minimum notice of 30 days prior to the contract end date. Therefore, the maximum possible contract length will be 60 months.
