II.2.4) Description of the procurement

Queen's University Belfast's approach to student recruitment in Sub Saharan Africa has broadly been a reactive one, with no defined resource or strategy in place to proactively drive outcomes. However, within the context of the University's 5 year plan (2021-22 to 2025-26), and in support of its diversification ambitions, Queen's invites tenders for the appointment of an Economic Operator to deliver defined and approved target recruitment outcomes in the region. The successful Economic Operator must have extensive knowledge and, critically, experience in Sub Saharan Africa, as well as access to developed networks / recruitment channels to facilitate a market entry strategy for Queen's. The successful Economic Operator will be responsible for the delivery of the University's student recruitment targets for the Sub Saharan African region.
