Both contracts are to provide the following:

- Accommodation Based services - This is short-term accommodation for people where there is support available onsite or through a visiting service.
- Floating Support services - This is temporary support where visits take place in a person's home or local community location in order to support the individual in setting up/maintaining a home or preventing homelessness.

The services will need to provide person-centred support to individuals to prevent and reduce the risk of homelessness for Rotherham. They are to offer the following:

- Support for individuals who are at risk of losing their home, to help maintain their home and continue to live independently.
- Support for individuals who are homeless, to help them settle into a new home and community and to reduce the risk of becoming homeless again.

RMBC will be holding an online market engagement event on the Thursday 13th July from 10.00 - 11.30am via Microsoft Teams to discuss the planned commissioning, provide an overview of each service and highlight the procurement approach.
