II.2.4) Description of the procurement

71 Commonwealth nations and territories are expected to participate in the XXII Commonwealth Games, which is one of the world's largest multi-sport events, bringing together over 4,000 of the world's elite athletes every 4 years, in an 11-day festival of sport and culture. The Birmingham 2022 Commonwealth Games will be held in venues across Birmingham and the West Midlands from 28 July until 8 August 2022. London's Olympic velodrome will also be utilised.

The principle role of the Look, Wayfinding and Signage supplier will be to provide comprehensive overall planning, project management, design, production and delivery of the Look of the Games (LOK) and Wayfinding/Signage (SIG) programmes for the Birmingham Organising Committee for the 2022 Commonwealth Games Ltd ("the OC") in relation to the Birmingham 2022 Commonwealth Games ("the Games") with supplier resources embedded within the OC as required. The supplier will be responsible for:

- Overall planning of Look, Wayfinding and Signage scope and programme
- Providing embedded resources for design, planning, project management and delivery, including design, kits of parts, application and location plans, budgets and scope management
- Managing the OC Functional Area resource scoping towards establishing the Look, Wayfinding and Signage scope at each venue for the Games, in line with the approved budget and programme constraints, and gain OC sign-off for delivery
- Providing and managing the delivery of the Goods and Services through the provision of a database management software tool
- Procurement and fabrication/manufacturing
- Design, engineering and regulatory compliance
- Logistics, supply, delivery, storage, installation, assembly, testing, commissioning
- Games operations, maintenance, repair/replacement and support
- Decommissioning; removal, remediation and recycling

The opportunity will also include provision for third party customers who are Non-Commercial Organisations (NCOs) to purchase Look and Wayfinding assets and services through the successfully appointed supplier contract. Each third party purchaser NCO will

be required to enter into a contract with the successful supplier on substantially the same terms as the contract between the successful supplier and the OC. Further information on the OC's requirements can be found in the additional notes section VI.3 and in the procurement documents available at www.deltaesourcing.com

As stated in section, II.1.5 it is estimated that the contract value range for the Birmingham 2022 games is 7 500 000 GBP to 9 500 000 GBP. This value includes the Look, Wayfinding & Signage scope as outlined within this notice for Birmingham 2022, which is estimated at 4 000 000 GBP to 5 000 000 GBP, and access to the resulting contract for other contracting authorities as described in the following paragraph, which is estimated at 3 500 000 GBP to 4 500 000 GBP.

The contract will be available to public sector bodies throughout the UK and their associated bodies and agencies, local authorities, organisations in the voluntary sector in the UK, charities in the UK, educational establishments in the UK and/or other private organisations in the UK acting as managing agents or procuring on behalf of the public sector delivering services of a public nature. The objective of the Non-Commercial Organisations' (NCOs) access to this contract is to facilitate NCOs purchasing Birmingham 2022 Look and Wayfinding assets and associated supplier services such as scoping, installation and removal, that fall outside the scope of the OC's responsibility.
