## Section VI. Complementary information

### VI.1) Information about recurrence

This is a recurrent procurement: Yes

Estimated timing for further notices to be published: If the 2 years extension is taken up a further contract notice will be published around June 2025

### VI.3) Additional information

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 19328. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

Community benefits are included in this requirement. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

Please detail any community benefits which you will apply to this contract. Full details of the proposed monitoring process and reporting timescales of the outputs should be supplied.

Community benefits can be defined as (i) training and recruitment, or (ii) the availability of sub-contracting opportunities, or (iii) activities otherwise intended to improve the economic, social or environmental wellbeing of the authority's area in a way additional to the main purpose of the contract in which the requirement is included.

Stirling Council is committed to maximising Community Benefits from its procurement activities where relevant and proportionate. Accordingly, there is an evaluation criterion for Community Benefits for this Contract.

As a starting point the following links provide useful background information on community benefit options:
