The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.

ABOUT US: NHG is one of the largest Housing Associations in the country, with more than 66,000 homes across London and the South-East. We provide homes to a range of tenures and are committed to delivering housing that is affordable for all. We build and maintain quality homes, creating diverse and thriving communities. This is our primary purpose and everything we do supports that. For more information, visit www.nhq.org.uk.

FRAMEWORK VALUE: Applicants should note that the estimated value of the Framework Agreement given in this Notice is based on NHG's current anticipated requirements. NHG cannot give any guarantees that services totalling this value will in fact be called off from this framework. Equally, the total value may increase, either if NHG's own requirements increase unexpectedly or if the framework is used by other contracting authorities more extensively than anticipated.

AUTHORISED USERS: This Framework will be available for use by NHG and any entity within the same group of companies as NHG from time to time (the current list can be found at <https://www.nhq.org.uk/about-us/who-we-are/current-members-of-the-group/>) and any entity or joint venture company that NHG or any other NHG group member holds an interest in from time to time.

NHG may also (at its sole discretion) permit use of the Framework by any other contracting authority that is a provider of social housing operating in the Greater London area. This will be at NHG's sole discretion and may be subject to payment of a usage fee. This includes providers of social housing including without limitation any Registered Provider (as defined in the Housing and Regeneration Act 2008 and registered with the Regulator of Social Housing), local authorities and/or Arm's-Length Management Organisations (ALMO). A list of the current Registered Providers can be found by visiting <https://www.gov.uk/government/publications/current-registered-providers-of-social-housing>.

Once other authorities have access, they can independently call-off from the framework and manage their contracts' performance. Such authorities may choose to direct award, using

the justifications available from the framework agreement, or conduct a mini competition.

OTHER: NHG reserves the right to cancel the procurement at any time and not to proceed with all or part of the Framework Agreement. NHG will not, under any circumstance, reimburse any expense incurred by Applicants in preparing their tender submissions.
