### **II.2.4) Description of the procurement**

The Early Help and Enhanced support framework has been co developed across sectors in Wales led by the Clinical lead under the Together for Children and Young people.

Programme, on behalf of the NHS Health Collaborative.

The digital work to bring the Early help Framework to life is another piece of the jigsaw that is set to move us towards a whole system approach to the way we plan and deliver future services for children, young people and their families.

The framework is now in a position to be developed into a visual tool which can support its adoption and embedding with the Regional Partnership Boards pan Wales.

On behalf of the NHS Health Collaborative, Public Health Wales would like to invite potential suppliers to bid for the opportunity to support the development of online resource for NHS Wales Early Help and Enhanced Support National Framework.

The need for this is urgent given the pressures on support services as a result of Covid-19 conditions and the need to identify early adopters with the Regional Partnership Boards.

Due to the urgent nature of this requirement, an initial pilot programme will be advertised for suppliers to have an opportunity to quote via Multi Quote <https://suppliers.multiquote.com/Page/Login.aspx> , on Wednesday 20th January 2021. The bid will close on Thursday 28th January 2021 at midday. All works have a required completion date of 31st March 2021.

This initial bid will be utilised as an anchor of interest, subject to the outcomes, performance and future confirmed funding there may be a subsequent requirement to roll the Early Help and Enhanced Support Framework across Wales at a later stage.

Any further tender exercises in relation to the Early Help and Enhanced Support Framework, subject to funding, will be conducted via e-Tender Wales and will be open to suppliers who previously noted an interest or applied for the pilot work.
