II.2.4) Description of the procurement

The procurement comprises the appointment of Transport for Wales (TfW), to provide Project and Commercial Management along with expert technical advice to enable the Council to deliver an additional train service in support of the Frequency Enhancements to the existing Ebbw Valley Railway Line. Once completed, the project will support Welsh Governments Wales Transport Strategy 2021.

Project Roles and Responsibilities include:

Provision of expert consultancy advice to the Council in terms of technical, programme and commercial scrutiny of the Implementation Agreement for GRIP Stages 5-8 works, being delivered by Network Rail.

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This VEAT notice is alerting the market of the Council's intention to award a service contract to Transport for Wales(TfW) via a sole source procedure and not via a competitive tender via OJEU.

Transport for Wales (TfW) are a not-for-profit company owned by the Welsh Government and managed at arm's length by its appointed board to oversee the delivery of transportation projects and operational aspects within the Wales and the Border region. TfW's main objective is to drive forward the Welsh Government's vision of a high quality, safe, integrated, affordable and accessible transport network as set out in Prosperity for All: The National Strategy. Further, TfW were established to assist in the discharge of ministerial functions in relation to transport, including providing consultancy services in procuring, designing and constructing the rail infrastructure of South Wales

The Council intends to award the above contract following the application of a 10 day standstill period. The Standstill period will commence on the day following the publication of this notice and will end at midnight

on the 10th Day thereafter.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
