Provision of Radiation Dosimetry and Personnel Monitoring Service

II.2.14) Additional information

This is a Prior Information Notice to advise of our intention to engage with suppliers in relation to the provision of a Radiation Dosimetry and Personnel Monitoring Service to Northern Ireland Health and Social Care. To this end the Business Services Organisation, Procurement and Logistics Service, on behalf of Northern Ireland Health and Social Care, wish to engage with suppliers to obtain a market view of the potential electronic solutions available to meet all NIHSC requirements.. Suppliers should register their interest by 3.00 p.m. on 6th September 2021 to the email detailed in this notice. Once registered Suppliers will be provided with an overview of the requirements including Specification, Volumes required. Suppliers will then be required to present an overview to Trust representatives on how they propose to provide this service detailing all elements/products required to meet all of the requirements.. This presentation should not be about your company but should only cover the details requested. . It is envisaged that presentations will take place week commencing 13th September and Suppliers will be allocated a 45 minute time slot to present and take questions. Details of time and location to be advised. Suppliers should also note that any interest shown does not constitute a commitment to participate in any future tendering exercise..

II.3) Estimated date of publication of contract notice

1 October 2021

Section IV. Procedure
