Bournemouth Christchurch and Poole Council (BCP Council) is seeking to appoint experienced and professional removal companies to assist with Council office accommodation removals and site clearances.

Bournemouth, Christchurch and Poole Council is a unitary local authority for the district of Bournemouth, Christchurch and Poole in England that came into being on 1 April 2019. It was created from the areas that were previously administered by the unitary authorities of Bournemouth and Poole and the non-metropolitan district of Christchurch.

The Office Removal Services Framework will consist of up to three companies capable of delivering removals services as outlined in this specification.

The three suppliers that are appointed onto the framework will be ranked 1 to 3. The first company on the list being the first point of contact for the Council when a removal comes up. If the first ranked supplier is not able to do the move, the next ranked supplier will be contacted and so on until a supplier confirms availability

The anticipated start date of the contract is 1 October 2022. The contract will be for three years and three months.

The removal companies are expected to be experienced and professional to transport items

### **II.2.4) Description of the procurement**

The length of the Office Removal Services framework will be for three years and three months. It is anticipated that the framework will commence on 1 October 2022.

The Council will be awarding up to three suppliers to be on the Office Removals Framework.

The three suppliers that are appointed onto the framework will be ranked 1 to 3. The first company on the list being the first point of contact for the Council when a removal comes up.

If the first ranked supplier is not able to do the move, the next ranked supplier will be contacted and so on until a supplier confirms availability.

The ranking of the suppliers on the framework will be re-assessed prior to 1 January each year commencing 1 January 2024. This will then determine the ranking of the suppliers under the framework for the next year of the framework.

The Council does not expect the first ranked supplier will be available for every move due to availability, there may be occasions when several office moves happen over the same time period. It is for this reason a framework of up to three suppliers has been decided on rather than just a single supplier.
