The Council is a local authority and therefore is a “contracting authority” for the purposes of the Public Contracts Regulations 2015 (“PCR 2015”) and the Concession Contracts Regulations 2016 (“CCR 2016”).

The Council is using the competitive dialogue process pursuant to Regulation 30 of the Public Contracts Regulations 2015 (as amended) (PCR) which will involve the following two core stages:

Stage 1 – an evaluation of the capacity, capability, and financial standing of Tenderers to meet Council requirements and shortlisting (SQ);

Stage 2 – the Invitation to Participate in Dialogue (IPCD) comprised of two stages:

- i. Initial Dialogue and submission of Outline Solutions, following which there will be further shortlisting.
- ii. Detailed Dialogue leading to close of Dialogue and the submission of Final Tenders, following which the winning Tenderer will be selected.

Those Tenderers shortlisted at Stage 1 will be invited to participate in the Dialogue stage of the process and will be requested to provide proposals to meet the requirements outlined in the Project Specification and the Tender Evaluation Criteria. Stage 2 will be run in successive stages with the intention of reducing the number of Tenderers after evaluation of Outline Solutions, to be taken through to Detailed Dialogue.

The Council will invite a maximum of Four (4) Tenderers to participate in Stage 2 and such Tenderers will be selected on the basis of them being the four highest scoring at the SQ stage, provided they all meet all minimum standards of qualification set out in the Selection Questionnaire.

It is anticipated that the evaluation of Outline Solutions in accordance with the Outline Solution Evaluation Criteria will result in a down selection from four (4) to two (2) Bidders. The Council expects to invite the two highest-scoring compliant Bidders to proceed to Detailed Dialogue.
