II.2.4) Description of the procurement

Anglian Water Services Ltd ("Anglian Water") is looking to establish a framework of

balancing and shaping partners (BSP's) who will sit between our renewable generators and our electricity supplier.

This will enable the sleeving of energy from intermittently generating renewable assets developed across our region and beyond, where the generator is unable to provide those services themselves.

The BSP's will become the off-taker for the intermittent "Pay as Produced" renewable generation and will convert that electricity to flat baseload electricity. They will then sleeve that electricity on Anglian Water's behalf to our licensed supplier, via GTMA.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.3) Estimated date of publication of contract notice

9 August 2023
