- 72260000 - Software-related services
- 85000000 - Health and social work services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Humber, Coast and Vale Local Maternity System are looking to procure a single Maternity IT System for their 3 / 4 local Trusts. It is anticipated that a new provider will be in place for 1 April 2022.

Humber, Coast and Vale Local Maternity System (LMS) is reviewing how clinical, activity and financial information is shared between their maternity provider units, with a view to being able to achieve the requirements of the 2016 Better Births report, 2019 NHS Long Term Plan and the 2020 Ockenden recommendations as efficiently as possible.

The Contract will be for a term of 60 months, with the possibility of extending the term for a period of 24 additional months beyond the initial contracted duration by agreement between the Contracting Authority and the Provider.

The three Trusts within the LMS and their current Maternity Information System provision are as follows:

Hull University Teaching Hospitals (HUTH) - 5,000 births per annum on one site (inc. maternity-led unit and labour ward) and home births - Lorenzo Maternity, linked to Lorenzo EPR

Northern Lincolnshire and Goole Foundation Trust (NLaG) - 4,000 births per annum on two sites with labour wards, occasional births in a maternity-led unit and home births - CMIS (HD Clinical)

York and Scarborough Teaching Hospitals NHS Foundation Trust (YTHFT) - 4,500 births per annum on two sites with labour wards and home births - CPD (bespoke in-house solution)

Harrogate and District Foundation Trust (HDFT) are part of the Humber Coast and Vale Integrated Care System (ICS) and the West Yorkshire and Harrogate Local Maternity System. HDFT may be considered as part of this procurement but are also looking at their

partners in the West Yorkshire & Harrogate LMS for the provision of a Maternity IT System. Currently HDFT have up to 15,000 births per annum and the 3 Trusts above have up to 15,000 births per annum.

Potential bids must include provision for HDFT as part of the contract, but Humber Coast and Vale LMS reserve the right to withdraw HDFT from this procurement prior to contract award. Further details will be provided to shortlisted providers within the Invitation to Tender (ITT).

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

60

This contract is subject to renewal

Yes

Description of renewals

The Contract will be for a term of 60 months, with the possibility of extending the term for a period of 24 additional months beyond the initial contracted duration by agreement between the Contracting Authority and the Provider.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Restricted procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

2 September 2021

Local time

12:00pm

IV.2.3) Estimated date of dispatch of invitations to tender or to participate to selected candidates

5 October 2021

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

VI.4) Procedures for review

VI.4.1) Review body

Hull University Teaching Hospitals NHS Trust

Hull
