---

## **Section III. Legal, economic, financial and technical information**

### **III.1) Conditions for participation**

#### **III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions

As per the SPD accreditation is required for The Royal Institute of Chartered Surveyors (RICS). Failure to have this accreditation will result in your bid response being rejected and considered no further.

#### **III.1.2) Economic and financial standing**

Minimum level(s) of standards possibly required

Economic operators may be excluded from this competition if they are in any of the situations referred to in Regulation 58 of the Public Contracts (Scotland) Regulations 2015. Information regarding the Single Procurement Document and contracting authority specific requirements can be found in the Supplier Guidance Document which is located in the Buyers Attachment area of Public Contracts Scotland-Tender (PCS-T).

Financial Standing - CMAL reserves the right, at its own discretion, to seek such information from the Bidder in accordance with Regulation 61(7) or Regulation 61(8) of the Public Contracts (Scotland) Regulations 2015 to prove the Bidder's economic and financial standing.

SPD 4B - Insurance: it is a requirement of this contract that bidders hold, or can commit to obtain prior to the commencement of any subsequently awarded contract, the types and levels of insurance indicated below;

Employers Liability: The minimum indemnity limit of GBP TEN MILLION 10,000,000 pounds STERLING shall be taken out and maintained throughout the period of services in respect of each claim without limit to the number of claims

Public Liability: The minimum indemnity limit of GBP FIVE MILLION 5,000,000 pounds STERLING shall be taken out and maintained throughout the period of services in respect of each claim without limit to the number of claims

Professional Risk Indemnity: The minimum indemnity limit of GBP FIVE MILLION 5,000,000 pounds STERLING shall be taken out and maintained throughout the period of services in respect of each claim without limit to the number of claims

Part 2D SPD - Bidders will require to confirm whether they intend to sub contract elements of the contract, and if so, what proportion of the contract will be sub contracted.

### **III.1.3) Technical and professional ability**

List and brief description of selection criteria

See tender documents.

Minimum level(s) of standards possibly required

Bidders must ensure that all organisational representatives who attend site to provide services are adequately trained and competent to carry out the required tasks. Bidders must provide appropriate written site specific Risk Assessment and Method Statements (RAMMS) for all aspects of the work to appropriate CMAL staff. The successful supplier shall programme works around Caledonian MacBrayne ferry and other vessel usage of the berths and other CMAL facilities. Timescales are published by CalMac Ferries Ltd (CFL) and further details are available from the local Port Manager having responsibility for the respective location. The successful supplier shall liaise with the CFL Port Manager having responsibility for the location with regard to site induction, work permits, ferry and other harbour operations.

## **III.2) Conditions related to the contract**

### **III.2.2) Contract performance conditions**
