Engagement process description

This engagement exercise aims to establish -

- Whether this is a viable market within the UK and an appetite for suppliers to provide these services;
- A suitable procurement procedure and award criteria to align to the market;
- Specification development and understanding of solutions available in the market or what a solution could look like in the UK;
- Identify all potential suppliers of this requirement (including SMEs and VCSEs) and give them the opportunity to be awarded to the Framework;
- Understanding commercial structure that aligns to the market expectations and will meet the requirements of any Contracting Authorities; and
- Notifying the market and building capacity to prepare for the procurement and contract

award.

Interested parties please reach out to Eman Majid (eman.majid@htepg.com) at HealthTrust Europe to schedule engagement meeting.
