VII.2) Other additional information

There appears to have been some confusion regarding this notice, therefore we are extending the opportunity by a further two weeks.

Please note, this is not a Prior Information Notice (PIN). It is a Contract Notice inviting tender submissions, linked to a previous PIN. Unfortunately, the contract title includes the term 'Prior Information Notice', and this cannot be amended.

An additional week for clarifications has also been added to allow bidders sufficient time to raise and receive responses to any queries.

Bidders who have already submitted may upload a new bid. Please note, the last bid submitted by each bidder will be the bid that is evaluated.
