Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- No tenders or no suitable tenders/requests to participate in response to negotiated procedure with prior publication of a contract notice
- The products involved are manufactured purely for the purpose of research, experiment, study or development

Explanation:

In accordance with regulation 4 of the Defence and Security Public Contracts (Amendment) (EU Exit) Regulations 2019 (SI 2019/697) this procurement falls to be regulated under the provisions of the Defence and Security Public Contracts Regulations 2011 as amended (in particular by SI 2019/697 and SI 2020/1450).

DE&S advertised this requirement for competition but due to the lack of interest in the market will proceed with a direct placement of the follow-on requirement. This contract will include 2 option years which can be invoked at any point. The original competitive notice was issued on 17 April 2024 and only the incumbent (AtkinsRealis Ltd) submitted a DPQQ. Due to the failed competition, it is considered that this contract can be awarded as Single Source under Regulation 16(1)(a)(i) of the DSPCR 2011 due to the absence of tenders and Regulation 16(1)(a)(ii) due to technical reasons as competition has demonstrated only one supplier can meet the requirement. This notice is being published for transparency purposes.
