to include SMEs

Scope

Reference

W177909

Description

PLEASE MAKE CONTACT FOR FURTHER DETAILED INFO. The Trust is exploring different operating models to continue providing quality haemodialysis services. The options include: · Managed equipment services only · Partial: Provision of building, plant, services, hard and soft FM, and consumables (devices, etc.). · Full: Provision of building, plant, services, hard and soft FM, consumables (devices, etc.), and workforce The Trust requires providers to comply with its IT systems and relevant clinical and operational policies. Existing arrangements with suppliers of consumables and patient transport contracts are out of scope. The Trust is seeking through pre market engagement to understand the potential operating and business model(s), including contract length, break clause periods, financial models (cost per treatment, minimum activity thresholds), and other requirements from the Independent Sector provider .

Engagement

Engagement deadline

1 December 2025

Engagement process description

The initial engagement will be Virtual sessions (MS Teams) with suppliers earmarked for 23 May 2024. Each session to consist of a brief introduction (5 mins) on the intent of the ICHT Renal Service from the General Manager, followed by a presentation from the supplier on partnership options (30 mins max) with 25 mins available for discussions and two-way questions. Each session to take no more than 1hr. The Trust may conduct further sessions with providers over the subsequent weeks to further develop the strategy and specification. Please contact Gemma Fahey - gemma.fahey@nhs.net for further detail and to express an interest.
