Section II: Object

II.1) Scope of the procurement

II.1.1) Title

AT1151 Water Main Services

Reference number

DN609157

II.1.2) Main CPV code

- 50000000 - Repair and maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

BTS require water main service contractors to provide three tasks to the council. These are:

- 1) Replacement of stop taps in properties when the existing tap is broken or seized. This must be in accordance with regulations to avoid contamination of the water supply.
- 2) Replacement of water mains from the water meter in the street to include the stop tap in the property. The contractor must hold all of the necessary qualifications, certifications and accreditations for this work. The contractor must make good all finishes to the required standard.
- 3) Self-lay works to provide water main extensions, individual supplies to each new property and temporary site supplies. The contractor must be registered to carry out self-lay works.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKH2 - Bedfordshire and Hertfordshire
