### VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Individual contracts awarded following tender under the DPS will be subject to the Public Contracts Regulations 2015. Contracting Authorities awarding contracts under the DPS are advised to incorporate a standstill period at the point information on the award of any contract award is communicated to tenderers. This period allows unsuccessful tenderers to challenge the decision to award the contract before it is executed/signed (as appropriate).

The Public Contracts Regulations 2015 ('Regulations') provide for aggrieved parties who have been harmed or at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly and within the time limits as defined in the above regulations. Where an agreement has not been entered into the court may order the setting aside of the award decision or order the Contracting Authority to amend any document and may award damages. If the contract has been entered into the court has the options to award damages and/or to shorten or order the contract ineffective.
