Tenders or requests to participate must be submitted to the above-mentioned address

## I.4) Type of the contracting authority

Regional or local authority

## I.5) Main activity

General public services

## **Section II: Object**

## II.1) Scope of the procurement

#### II.1.1) Title

Passenger Transport System

#### II.1.2) Main CPV code

• 48000000 - Software package and information systems

#### II.1.3) Type of contract

Supplies

#### II.1.4) Short description

North Yorkshire County Council are seeking to award a contract for the provision of a Passenger Transport System. The councils Passenger Transport and Home to School Transport Teams use an in-house developed system (PARIS) to support much of the work they do. This was built over 20 years ago using Oracle development tools and has been continually developed during that time; however, it is becoming increasingly difficult to support and further develop for a number of different reasons. The Authority has many corporate systems in place covering centralised management of related functions (e.g. finance, schools and customer portal), and we would expect the new solution to support interaction with these systems rather than providing duplicate functionality.

#### II.1.5) Estimated total value

Value excluding VAT: £400,000

#### II.1.6) Information about lots

This contract is divided into lots: No

## II.2) Description

#### II.2.2) Additional CPV code(s)

• 72000000 - IT services: consulting, software development, Internet and support

#### II.2.3) Place of performance

**NUTS** codes

• UKE - Yorkshire and the Humber

#### II.2.4) Description of the procurement

North Yorkshire County Council are seeking to award a contract for the provision of a Passenger Transport System. The councils Passenger Transport and Home to School Transport Teams use an in-house developed system (PARIS) to support much of the work they do. This was built over 20 years ago using Oracle development tools and has been continually developed during that time; however, it is becoming increasingly difficult to support and further develop for a number of different reasons. As the system is largely representative of business needs 20 years ago, and no longer reflects or delivers the needs of a modern business, the Authority would like to procure a replacement solution, which can also provide additional functionality. The Authority has many corporate systems in place covering centralised management of related functions (e.g. finance, schools and customer portal), and we would expect the new solution to support interaction with these systems rather than providing duplicate functionality.

#### II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### II.2.6) Estimated value

Value excluding VAT: £400,000

#### II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

30

This contract is subject to renewal

Yes

Description of renewals

Contract Start Date - 01/01/2023

Go Live Date 01/10/2023

Contract End Date 30/09/2026

Options to extend

01/10/2026 - 30/09/2027

01/10/2027 - 30/09/208

### II.2.10) Information about variants

Variants will be accepted: No

### II.2.11) Information about options

Options: Yes

Description of options

As per the procurement documentation.

### II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

# Section III. Legal, economic, financial and technical information

## III.1) Conditions for participation

## III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

## III.1.3) Technical and professional ability
