## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Oxfordshire County Council (OCC) Traffic Signals

Reference number

DN722960

#### **II.1.2) Main CPV code**

- 34923000 - Road traffic-control equipment

#### **II.1.3) Type of contract**

Supplies

#### **II.1.4) Short description**

Oxfordshire County Council's existing traffic signal and systems maintenance contract expires in October 2024. This tender exercise is to provide continuation of this service from that date.

Traffic signal refurbishment program work will also be awarded as part of this contract, along with minor modification work.

Tenderers are invited to tender for the provision of the Service described at Appendix 1 (Specification) for a term of 3 years with an option to extend for a further one year extension dependent on performance.

---

## **Section VI. Complementary information**

### **VI.6) Original notice reference**

Text

Oxfordshire County Council's existing traffic signal and systems maintenance contract expires in October 2024. This tender exercise is to provide continuation of this service from that date. As well as Traffic Signals, it covers Remote Monitoring Cameras, ANPR cameras and Over-height Vehicle Warning Systems. All are mandatory parts of this Contract.

Traffic signal refurbishment program work will also be awarded as part of this contract, along with minor modification work.

Tenderers are invited to tender for the provision of the Service described at Appendix 1 Specification for a term of 3 years with an option to extend for up to two one year extensions dependent on performance.
