Scope

Title

Market Engagement - Electric Vehicle Charging

Reference

UY/PROC/979

Description

The University of York has issued this market engagement questionnaire to seek feedback from the Electric Vehicle Charging supply market to help it to shape its strategy to provide more electrical vehicle charging points throughout its York campus. The aim is for the University to obtain detailed feedback from manufacturers, suppliers, and installers of electric vehicle charging points who are capable of supplying goods and/or services to the University. The University is keen to hear what strategies have been adopted by other similar customers, and what supply options are available through the market.

You may register with the University's procurement portal at: <https://intendhost.co.uk/york.aspx/Home>

Once registered you will be able to download, complete and submit your questionnaire at any time up until the 5th August 2022.
