The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

This market engagement is to understand the market appetite, capacity, capability and requirements for Non-Infrastructure asset maintenance and improvements procurement. This RFI is to assist it in gathering information from suppliers and is not for shortlisting. The purpose is to: raise awareness of the forthcoming potential opportunity; seek market feedback on the specific aspects of the procurement detailed in the questionnaire; and understand the appetite/capacity of suppliers with respect to the proposed procurement. The information received in response will be used to inform our strategy and development of the procurement process. Feedback will also be used to inform, validate and refine our emerging approach to delivery of the Non-Infrastructure asset maintenance and improvements.
