II.2.4) Description of the procurement

NHS Bedfordshire, Luton & Milton Keynes Integrated Care Board are seeking a suitable organisation for the provision of Community MSK Service including support for chronic pain in Bedfordshire, Luton and Milton Keynes. The key objective is to enable patients with MSK conditions and those living with chronic pain to live a full and healthy life.

The Service provider will offer a standardised, transparent, and coordinated patient pathway for MSK patients in a responsible and environmentally sustainable way across all relevant healthcare settings in BLMK. The Service provider will ensure patients receive a consistent experience, feel supported, informed and empowered throughout the whole pathway and receive the optimal treatment at the right time.

The Service provider will need to provide a high-quality experience, ensuring patients are triaged and treated as early as possible in their pathway to prevent worsening of symptoms, improve outcomes, reduce unnecessary secondary care activity, and avoidable repeat referrals.

The Service will reduce health inequalities across the BLMK geographical area by engaging and working with local community services and groups, to improve access and up-take of MSK services across the BLMK footprint. This will include some focused activity within targeted areas of BLMK, as highlighted by the Health Needs assessment and Health Inequalities studies.

The Service provider will work collaboratively with ICS partners, including the Social Prescribing Link Workers, Community Hubs and the VCSE sector to support residents to

lead economically active lives.

The Service provider will consider its impact on the environment, designing and delivering services in a way which minimises its carbon footprint.

This notice is an intention to award a contract under the competitive process and the contract for the new service will be for a period of 10 years commencing on 01st December 2025. It is anticipated that the service provision resultant of this procurement will have a maximum value of £120,197,800 (excluding VAT) over the term of the contract.
