Description

Supply and delivery of janitorial products to meet the requirements of various Council departments for the supply of cleaning materials, chemicals, washroom products and laundry dosing systems and detergent.

The Council wishes to establish a Contract with either a sole supplier or a lead provider with consortia or sub-contracting arrangement to deliver this service. Where there are consortium bids, there must be one lead organisation/management structure who can supply high quality, high performance and cost-efficient products.

Each Council department may have differing needs and requirements relating to the supply, delivery and safe management of the products. The Supplier will be expected to work collaboratively with each department to meet service specific needs. It is expected this Contract will provide a high level of sales aftercare tailored to the needs of each

department.
