II.1) Scope of the procurement

II.1.1) Title

Call off contract for referred Biochemistry Testing

Reference number

C114077

II.1.2) Main CPV code

- 85111800 - Pathology services

II.1.3) Type of contract

Services

II.1.4) Short description

Integrated Laboratory Services LLP (ILS LLP) has awarded a contract for Biochemistry Testing to FRIMLEY HEALTH NHS FOUNDATION TRUST under the Provider Selection

Regime using Direct Award Process C. The service will run from 04/03/2026 to 03/03/2027 with the option to extend for a further additional 2 periods of up to 12 months each, with a total contract value of £60000.

This award relates to the continued delivery of an existing service, which is not changing substantially in scope or specification.

Direct Award Process C has been used because the current provider is delivering the service to a satisfactory standard, is capable of continuing to do so, and remains the provider best placed to ensure continuity of care. Running a competitive process would not add value and is not required under the PSR.

In making this decision, the contracting authority has considered the PSR objectives and is satisfied that the award supports quality, value for money, integration, and continuity of services. A full decision record has been completed in line with PSR transparency requirements. Individual(s) making the award decision were;

Afruj Ruf
Rebecca Parish

No conflicts of interest were identified in relation to this decision
