#### **II.1.4) Short description**

The process will follow the innovation partnership procedure & is intended to encourage innovative businesses to help United Utilities tackle key efficiency, safety & customer

challenges in innovative ways.

Successful applicants will be co-located (where possible, & subject to Covid and travel restrictions) & work closely with UU to test, develop, improve & demonstrate their product/service in live customer environments. Leading to opportunities for contractual relationships for further ongoing testing &/or roll-out.

The Company offers project managers & resources to design & run the best trial conditions for the best ideas – either a 12-week testing programme or different trial design. Each trial will accelerate & improve the chance for large-scale roll-out.
