The Commissioners would like to appoint service provider(s) for providing high quality Level 2 Intermediate Minor Oral Surgery (IMOS) including treatment under Conscious Sedation across the East Midlands. Intermediate Minor Oral Surgery is a referral service for people over the age of 16 years and is provided within a community setting. The service will provide specialist treatment e.g. complex dental extractions by a clinician with enhanced skills and experience that is either on the oral surgery specialist list or accredited in line with national guidance. Treatment may be provided under local anaesthetic and the clinician may use quality behavioural management techniques or provide treatment under conscious sedation where appropriate for minor oral surgery procedures.

The service objectives are to:

- ensure that equitable, accessible, cost effective, high quality IMOS Surgery including treatment under Conscious Sedation is available to the public within each STP/ICS
- increase the availability and accessibility of the primary care based IMOS Services to those patients who require sedation to support them to receive a minor oral surgical procedure locally
- reduce the number of patients receiving minor oral surgical procedures under general anaesthesia
- to deliver clinical services based on best available evidence and will work to relevant clinical guidelines published by professional bodies, incorporating relevant best-practice principles
- to have appropriately registered, qualified, trained, accredited and experienced professionals to ensure that the complexity of the patient or procedure matches the skills and setting of the individual or team providing the treatment
- to deliver safe, high quality, patient-centred oral surgery services from primary care settings by named Performers
- to ensure that patients who most need the services are able to be referred to a local provider

The Commissioners and would like to invite suitably qualified and experienced providers

to participate in a survey that will help to gauge the interest in the proposed serviced.

Providers are to note, this is a follow-on PIN from the previously advertised PIN, published on 17th March 2022 informing the market of a Market Engagement Event which was due to take place in April 2022. The planned event was postponed due to the local elections to comply with purdah guidance requirements, therefore, the Commissioner wishes to invite the market to a market engagement event which will be held via MS Teams.

II.2.14) Additional information

Providers who responded to the previous PIN in March 2022 to confirm their place at the market engagement event taking place in April 2022 are not required to respond to this PIN, as a diary invite will be sent to the list of attendees stated in the previous responses via MS Outlook (MS Teams invite).

II.3) Estimated date of publication of contract notice

22 August 2022

Section VI. Complementary information

VI.3) Additional information

If you wish to express an interest and register for the Market Engagement Webinar please register on the EU Supply website <https://uk.eu-supply.com/login.asp?B=UK> . The project reference is Quote/tender 56635 - AG20052 - Intermediate Minor Oral Surgery including treatment under Conscious Sedation across the East Midlands - Market Engagement Event (August 2022).

Once registered please complete the questions which asks providers to give details about your organisation and confirmation of who will be dialling into the market engagement webinar.

Webinar details will only be sent to those organisations who have completed the questionnaire to confirm their attendance. Please note the deadline for responses and to register your interest for the Market Engagement Webinar is by Friday 5th August 2022 at 10.00am

Please note that this survey is purely a market engagement exercise. Your response to this survey does not guarantee your organisation's participation in any future procurement resultant from this exercise.

Future procurements resultant from this exercise will be advertised separately. Should your organisation wish to submit its bid, then it must respond to the advertisement which calls for the procurement competition separately at the time.
