II.1.4) Short description

The provision of waste management, cleansing, recycling and disposal of waste from New Spitalfields Market and Billingsgate Market. To include the full management of waste and market cleaning on both sites, this encompasses waste collection, management, cleansing of common areas, and the recycling and disposal of on average 12,500-13,500 tonnes of mixed associated market waste per year, i.e. organic, cardboard, timber, plastic, polystyrene.

There will be an emphasis on continual improvement regarding recycling and sustainability with consideration to the waste hierarchy. There is an expectation that all waste will be recycled or repurposed with 0% of waste sent to landfill. Cost reduction innovations will also be expected from participating bidders.

All bids that have passed the Technical & Professional Ability (T&P) criteria set out in the ITT Pack regarding Lot 2 Billingsgate Market, will be measured against the current -in-house waste and site cleansing provision to ascertain best value. Therefore, the City may not award the contract if the bidder's response has been evaluated and is not considered best value for the City.
