<https://www.henderson-foodservice.com/>

The contractor/concessionaire is an SME

No

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

A modification to the value of the Framework Agreement for Frozen Food Products (CAT 19 013) by 20% is necessary to cover anticipated

orders to the remaining contract period (until 31 July 2024).

These requirements have become necessary and are permitted by Regulation 72(1)(c) of The Public Contracts Regulations 2015. Namely,

the following conditions have been fulfilled:

(i) the need for modification has been brought about by circumstances which a diligent contracting authority could not have foreseen.

The following issues that could not have been predicted and have impacted on costs and therefore increased spend under the current

Framework:

- Hyper food inflation experienced as a result of the conflict in Ukraine which has impacted supply on European products.

- Much higher than anticipated energy prices that impacted all processing, production, and transportation of goods.

- Increased costs due to farming pressures and weather creating stock shortages.

(ii) the modification does not alter the overall nature of the contract;

The proposed modification does not impact the overall nature of the agreement, it remains to be there to supply frozen food products to

schools.

(iii) any increase in price does not exceed 50% of the value of the original contract or framework agreement.

The upper estimate of the original Framework was £21,879,000 GBP, this modification is for an additional £4,375,800 (20%) which is less

than 50% of the original maximum value.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

A modification to the value of the Framework Agreement for Frozen Food Products (CAT 19 013) by 20% is necessary to cover anticipated

orders to the remaining contract period (until 31 July 2024).

These requirements have become necessary and are permitted by Regulation 72(1)(c) of The Public Contracts Regulations 2015. Namely,

the following conditions have been fulfilled:

(i) the need for modification has been brought about by circumstances which a diligent contracting authority could not have foreseen.

The following issues that could not have been predicted and have impacted on costs and therefore increased spend under the current

Framework:

- Hyper food inflation experienced as a result of the conflict in Ukraine which has impacted supply on European products.
- Much higher than anticipated energy prices that impacted all processing, production, and transportation of goods.
- Increased costs due to farming pressures and weather creating stock shortages.

(ii) the modification does not alter the overall nature of the contract;

The proposed modification does not impact the overall nature of the agreement, it remains to be there to supply frozen food products to

schools.

(iii) any increase in price does not exceed 50% of the value of the original contract or framework agreement.

The upper estimate of the original Framework was £21,879,000 GBP, this modification is for an additional £4,375,800 (20%) which is less

than 50% of the original maximum value.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £21,879,000

Total contract value after the modifications

Value excluding VAT: £26,254,800
