Continuation of an established Dynamic Purchasing System (“DPS”) for the purpose of obtaining quotes for various playground equipment requirements (under the value of 25,000 GBP per project) across the borough.

A DPS is a procurement tool with aspects similar to a framework agreement, but where new suppliers can join at any time and it must be run as a completely electronic process. The DPS is a two-stage process, firstly all suppliers who meet the selection criteria and are not excluded will be admitted to the DPS and new suppliers can apply to join the DPS at any point during its lifetime. Individual contracts are awarded during the second stage; WCBC will invite all suppliers on the DPS to bid for specific contracts. The DPS will be administered electronically via Bravo e-Tenderwales solution
