36

This contract is subject to renewal

Yes

Description of renewals

+ 2 years

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5

Objective criteria for choosing the limited number of candidates:

SPD must be fully completed in the format requested and returned on time.

Failure to complete any of the sections included within this procurement specific SPD will lead to exclusion from the competition.

Bidders must pass the minimum standards section of the ESPD; any 'fail' will lead to exclusion from the competition.

All firms who achieve 'pass' on all the 'pass/fail' sections and also achieve the quality threshold, which has been set at 90 points at section 4C.1.2, will proceed to stage 2.

4C.1.2 will be based on the following assessment:

Experience of similar scope, quantity and value of works for a minimum of two completed term contracts for the provision of a gas servicing and maintenance contract in the social rented sector (60%)

Experience of providing a service where customers are potentially vulnerable and which is

centred on an appointment based system (20%)

Experience of achieving high levels of customer satisfaction (10%)

Experience of working to and meeting KPI targets (10%)

Beyond that, the Association will consider, but not be compelled to, including additional firms onto the shortlist based on ranking of score from SPD assessment.

Please refer to Appendix 1 of attached brief for more details

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Economic operators may be excluded from this competition if they are in any of the situations referred to in regulation 58 of the Public Contracts (Scotland) Regulations 2015.

Economic operators may be excluded from this competition if they are in any of the situations referred to in regulation 8 and 9 of the Procurement (Scotland) Regulations 2016.

Community benefits are included in this requirement. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

It is the Employer's intention that this contract will attract Community Benefits across the contract term and the successful provider will work with the Employer to maximise local community benefits delivered.

A points based system, or alternative cash donation option, has been employed to quantify the requirement and to allow performance against the contractor's proposal to be measurable during contract delivery.

The Community Benefits are a contractual requirement to satisfy the Employer's objectives for local community stimulus and improvement as follows:

Employability:

Apprenticeships, work experience and training.

Skills and Training:

Training and work experience.

Environment:

Minimise harm and promote sustainability to the environment and society including energy usage, transportation, pollution, re-cycling in order to maximise value for money and sustainable delivery.

Supply Chain Opportunities:

Opportunities for local SMEs, mentoring & support including social enterprises, 2nd & 3rd tier supply chain opportunities.

Community Engagement

Support for projects involving social inclusion, wellbeing activities and community activities in partnership with the Employer through donations, sponsorship and/or participation.
