Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

Bidders must comply with the undernoted financial requirements in order

to participate in the tendering process:-

There is a minimum financial requirement that affects trading performance, balance sheet strength and current liquidity

Financial requirements for trading performance and balance sheet strength should be calculated on latest filed accounts

accounts with Companies House

Trading Performance

An overall positive outcome on EBITDA earnings over a 3 year period

Exceptional items can be excluded from the calculation.

The above would be expressed in the ratio EBITDA/Turnover

Balance Sheet strength

Net worth of the organisation must be positive at the time of evaluation

and organisation must not be subject to an insolvency process.

Intangibles can be included for purposes of the Total Assets figure.

The above would be expressed in the ratio Total Assets/Total Liabilities

If an applicant is only required to file abbreviated accounts with Companies House, then in the event of the company being successful in the procurement process, full set of accounts will be required in order to verify the above ratios have been complied with.

An applicant should have no outstanding issues, with regard to statutory filing

requirements with Companies House.

Applicants who have been trading for less than the 3 years noted above must provide

evidence that they are complying with the above minimum financial requirements

for the period in which they have been trading.

Applicants who do not comply with the above financial requirements but are part

of a Group, can provide a Parent Guarantee if the Parent company satisfies the financial requirements stipulated above.

Due to the potential negative financial consequences of the pandemic on company finances, Glasgow Life also requires assurance regarding current liquidity of the bidding company.

The bidder must provide a Letter of Comfort from its own bank to satisfy the above financial requirement.

If the pandemic has had an adverse affect on the latest set of accounts filed with Companies House, Glasgow Life will take that into account in determining financial suitability for the contract.

The above, however, should not impinge on the financial viability of the company, as defined by the ratios set out in the above financial requirements.

Glasgow Life reserves the right, at its own discretion, to seek such other information from the Bidder in accordance with Regulation 61 (8) of the Public Contracts (Scotland) Regulations 2015 to prove the Bidder's economic and financial standing.

It is a requirement of this contract that bidders hold, or can commit to obtain prior to the commencement of any subsequently awarded

contract, the types and levels of insurance indicated below

Employer's (Compulsory) Liability Insurance = GBP 10million

Public Liability Insurance = GBP 5million

Product Liability Insurance = GBP 5million

Professional Liability Insurance = GBP 5million

Third Party Motor Liability Insurance = GBP 20million for third party property damage caused by a private vehicle:

Third Party Motor Liability Insurance = GBP 10million for third party property damage caused by a non-private vehicle.

Third Party Motor Liability Insurance = Unlimited in relation to death or bodily injury caused by a private or non-private vehicle.

III.1.3) Technical and professional ability

List and brief description of selection criteria

Selection criteria as stated in the procurement documents

III.2) Conditions related to the contract

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 20571.

Community benefits are included in this requirement. For more information see: <u>https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/</u>

A summary of the expected community benefits has been provided as follows:

The Company seek to encourage Community Benefits.

The Company is committed to maximising Community Benefits from procurement activity. This will be achieved through the inclusion of

specific clauses within procurement contracts known as Community Benefits clauses.

Community Benefit clauses are requirements which

deliver wider benefits in addition to the core purpose of a contract. These clauses can be used to build a range of economic, social or

environmental conditions into the delivery of contracts.

Examples of the categories and types of benefits are:

-Sponsorship of local organisation

- Mentoring – Suppliers offering support and guidance to local organisations and

individuals.

Provide career night / event within local school, provide career information on the industry to interested individuals

- Sponsorship of a local sports team or community event

- Donation of materials and / or labour to support a local community project

Provide career night / event within local school, provide career information on the industry to interested individuals

- Sponsorship of a local sports team or community event

- Donation of materials and / or labour to support a local community project

Offer weekly or monthly work experience placement to a nominated school pupil or Council apprentice

- Hold a workshop or event in a school, college or community group

Please provide a detailed statement which must include:

a) details of the Community Benefits you will provide as part of this contract;

b) what resource (staff responsible) will you use to ensure successful delivery

c) detailed commitment to the approach, including how you will monitor to track successful delivery of each of the Community Benefits you wish to deliver; and

d) how you will update the Company on progress

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 20571. For more information see:
