The Service will be required to provide regulated accommodation, care, support and meaningful activity to those people for whom it is not appropriate, either in the short or longer term, to live in their own homes.

The Service will be delivered in a way that ensure Individuals are at the heart of service delivery by maximising their ability and opportunity to live as independently as possible through the provision of good quality care and compliance with regulatory care standards.

For Providers who are currently in a contract or out of contract with NNC and agree to be appointed to the DPS, NNC will review and uplift their weekly care package cost in line with the new contracted expected to pay rate set out in the DPS. On appointment to the DPS, any existing agreements or arrangements covering the same scope as the DPS, will be extinguished and superseded by the DPS.

The Council proposes to enter into one (1) Contract for an initial period of 48 months with the preferred Potential Supplier, with an option to extend for 12 months, making 60 months in total.
