Explanation:

The Authority has a long term agreement with the supplier that should have been in place until 31/03/2025 however due to miscommunications that contract did not include the 2 year extension agreement. This only came to light after the contract had ended last year so we were unable to modify it before it expired. The value paid for premiums in 2023/24 was £751723.08 and the value of the premiums for 2024/25 is £805712.47. It should be noted that premiums are paid via our Broker - Marsh Ltd.
