Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Bidders must be able to demonstrate that they are suitably qualified and authorised to provide Sign Language Interpreting services within the UK. All interpreters delivering services under this contract must act in accordance with the Code of Conduct relevant to the Services they are undertaking. This includes (but is not limited to):

- National Registers of Communication Professionals working with Deaf and Deafblind People (NRCPD) (see their website for more information)
- Sign Language Interpreters Registered with RBSLI (Register of British Sign Language

Interpreters)

Interpreters must hold current, valid registration and adhere to the professional codes of conduct of their registering body. The College reserves the right to request evidence of qualifications and professional registration for all interpreters assigned under this contract.

III.1.2) Economic and financial standing

List and brief description of selection criteria

Please refer to Part 4 B Economic and Financial Standing of the SPD

The College will use the following ratios to evaluate a bidder's financial status.

Bidders must confirm within their response to the relevant question within the 'Qualification envelope' that as a minimum, 2 out of the 3 ratios can be met and what the value of each ratio is.

The 3 ratios to be evaluated are:

Profitability - this is taken as profit after tax but before dividends and minority interests. If a company makes a profit then it is a pass for this ratio;

Liquidity - this is calculated as current assets less stock and work in progress, divided by current liabilities. If the answer is greater than or equal to 'one' then it is a pass for this ratio;

Gearing - this is calculated as the total external secured borrowing (short term and long term) divided by shareholder funds expressed as a percentage. If the answer is less than or equal to 100% it is considered a pass for this ratio.

Where 2 out of the 3 ratios cannot be met, the College may take the undernoted into consideration when assessing financial viability and the risk to the College, providing that the Bidder can supply evidence to substantiate any of the mitigating criteria.

This list is not exhaustive and other criteria may be considered where proposed by a bidder as mitigating factors:

Would the bidder have passed the checks if prior year accounts had been used?

Were any of the poor appraisal outcomes 'marginal'?

Does the bidder operate in a market which, traditionally, requires lower liquidity or higher debt finance?

Does the bidder have sufficient reserves to sustain losses for a number of years?

Does the bidder have a healthy cash-flow?

Is the bidder profitable enough to finance the interest on its debt?

Is most of the bidder's debt owed to group companies?

Is the bidder's debt due to be repaid over a number of years, and affordable?

Have the bidder's results been adversely affected by 'one off costs' and / or 'one off accounting treatments'?

Do the bidder's auditors (where applicable) consider it to be a 'going concern'?

Will the bidder provide a Parent Company Guarantee?

Is the bidder the single supplier/source of the Goods/Works/Services in the marketplace?

The College will obtain an Equifax Report or similar financial verification systems to validate the information provided.

Bidders must confirm they can provide the following supporting evidence prior to award:

Employer's (Compulsory) Liability = 5m GBP

Public Liability Insurance = 10m GBP

Professional Liability Insurance = 2m GBP

Professional Risk Indemnity: 5M GBP
