I.6) Main activity

Railway services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Network Rail Dynamic Purchasing System (DPS) for Supply of Goods

II.1.2) Main CPV code

- 34940000 - Railway equipment

II.1.3) Type of contract

Supplies

II.1.4) Short description

Network Rail will be launching a DPS for Goods within the Technology Supplier Qualification System (SQS). The DPS for Goods will initially contain two categories. The DPS will provide a competitive environment in which Network Rail can access suppliers and technologies in the supply of the following categories:

Category 1: Silt & Flood Detection Devices (SaFD)

Category 2: Relative Track Surveying Devices (Maintenance).

Network Rail may add or remove categories to the DPS at any time during its validity. Suppliers will be notified of added or removed categories via a Notice. Providers may apply to join the DPS at any time over the duration of the DPS.

Silt Level and Flood Detection Devices - Automated technological solutions for remotely monitoring sediment build up and flood occurrences.

Relative Track Surveying Device (Maintenance) - Manually propelled rail mounted survey device for track maintenance purposes, to record horizontal versine's, vertical levels, track gauge, cross-level, distance travelled, structure profiles, X & Y dimensions and Overhead Line Equipment wire heights.

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Silt Level and Flood Detection Devices

Lot No

Category 1. Silt Level and Flood Detection Devices

II.2.2) Additional CPV code(s)

- 34943000 - Train-monitoring system

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Silt Level and Flood Detection Devices - The supply of automated technological solutions for remotely monitoring sediment build up and flood occurrences.

In order to register an interest in this category on the DPS, please navigate to the opportunity listing which is available to view via the BravoNR homepage (prior to logging in/registration) at <https://networkrail.bravosolution.co.uk> where a user guide is available to assist with the registration process. In order to register for the DPS all suppliers will need to create an account on BravoNR via the following link: <https://networkrail.bravosolution.co.uk>.

Please note all relevant documents are available to download via the opportunity listing and also the supplier attachments section of the PQQ (Technology SQS PQQ)

Should a supplier already have a BravoNR account, the PQQ will already be visible in the PQQs Open to All Suppliers area. Once the PQQ has been accessed, please follow the instructions on the PQQ and submit a response for evaluation. Please note that if a supplier is currently registered on BravoNR, they must still complete the profile questions for this SQS.

This DPS will in place for up to 60 months with a forecast maximum value of up to £1,000,000.

All organisations that meet and pass the exclusion and selection criteria detailed within the procurement documentation will be admitted.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

60

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Relative Track Surveying Device (Maintenance)

Lot No

2. DPS - Relative Track Surveying Device (Maintenance)

II.2.2) Additional CPV code(s)

- 34940000 - Railway equipment

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Relative Track Surveying Device (Maintenance) - Supply of manually propelled rail mounted survey device for track maintenance purposes, to record horizontal versine's, vertical levels, track gauge, cross-level, distance travelled, structure profiles, X & Y dimensions and Overhead Line Equipment wire heights.

In order to register an interest in this category on the DPS, please navigate to the opportunity listing which is available to view via the BravoNR homepage (prior to logging in/registration) at <https://networkrail.bravosolution.co.uk> where a user guide is available to assist with the registration process. In order to register for the DPS all suppliers will need to create an account on BravoNR via the following link:

<https://networkrail.bravosolution.co.uk>.

Please note all relevant documents are available to download via the opportunity listing and also the supplier attachments section of the PQQ (Technology SQS PQQ)

Should a supplier already have a BravoNR account, the PQQ will already be visible in the PQQs Open to All Suppliers area. Once the PQQ has been accessed, please follow the instructions on the PQQ and submit a response for evaluation. Please note that if a supplier is currently registered on BravoNR, they must still complete the profile questions for this SQS.

This DPS will in place for up to 60 months with a forecast maximum value of up to £6,600,000.

All organisations that meet and pass the exclusion and selection criteria detailed within the procurement documentation will be admitted.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

60

This contract is subject to renewal
