VI.3) Additional information

The Authority has a requirement to procure the Service for conducting the maintenance and examination of Portable Lifting Equipment at HMS Sultan. All equipment inspections are required in accordance with Lifting Operations and Lifting Equipment Regulations 1998 (LOLER).

Further information including the Equipment Register has been included within the tender documentation. Information on how to participate in this opportunity can be found in the Invitation to Tender Documentation via the Defence Sourcing Portal. The Defence Sourcing Portal can be found at www.contracts.mod.uk

In order to participate in this tender event, suppliers must register for an account with the Defence Sourcing Portal (DSP). Suppliers must complete a Suitability Assessment Questionnaire (SAQ) and submit a tender response by no later than the date and time stated on this notice.

This is a one-step Supplier Assessment/Tender process, failure to submit an ITT response by the close date even if you complete an on-line SAQ will render your interest non-compliant.

If you fail to meet the minimum standards listed in the SAQ or do not complete an SAQ you will be discounted from the process and your tender response will not be reviewed.

Tender responses will be evaluated in accordance with the process as detailed in the ITT. A copy of the ITT has been attached to this notice for suppliers to view.

If you are experiencing difficulties please contact the DSP e-sourcing helpdesk on: customersupport@jaggaer.com UK HELPDESK: 08000698630
