Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Bidders must respond to 4A.2 - Bidders must be registered with the Financial Conduct Authority (FCA) to carry out regulated financial service activities - This will be a mandatory requirement and any Bidder not registered with FCA will be deemed as a FAIL and will be excluded from the procurement process and not considered further.

III.1.2) Economic and financial standing

List and brief description of selection criteria

Bidders must respond to 4B.4; 4B.5.1a; 4B.5.1B and 4B.5.2

.

4B.4 - The Acid Test (or Quick Ratio) compares a company's most short-term assets to its most short-term liabilities to see if a company has enough cash to pay its immediate liabilities, such as short-term debt. The Acid Test ratio disregards current assets that are difficult to liquidate quickly such as inventory.

Within the Qualification Envelope, the bidder should state their Acid Test ratio score (using the calculation above) for their most recent financial year where fully audited accounts are available.

Bidders who fail to provide a response to this question or fail to achieve an Acid Test ratio score of 1.00 or above within their Tender may be assessed as a FAIL and be excluded from the Procurement.

.

4B.5 - Within the Qualification Envelope, bidder's should confirm whether or not they:

-have the required minimum levels of insurance,

-do not have the required minimum levels of insurance but commit to obtaining required levels of insurance if successful

-do not have required minimum levels of insurance and do not commit to obtaining required levels of insurance, or

-are exempt from requiring the minimum levels of insurance required by the Council.

Bidders that do not have required minimum levels of insurance and do not commit to obtaining required levels of insurance may be assessed as a FAIL and be excluded from the Procurement.

Bidders who fail to provide a response to this question within their Tender may be assessed as a FAIL and be excluded from the Procurement.

.

Minimum level(s) of standards possibly required

.

4B.4 - Bidders will be required to state the value(s) for the following financial ratio: Acid Test ratio of 1.00 and above.

The acceptable range for Acid Test financial ratio is the bidders most recent financial year where fully audited accounts are available.

The Acid Test financial ratio will be calculated as follows: Liquid Assets (Cash and Cash Equivalents + Marketable Securities + Accounts Receivable) / Current Liabilities

.

4B.5 - It is a requirement of this contract that bidders hold, or can commit to obtain prior to the commencement of any subsequently awarded Framework Agreement, the types and levels of insurance indicated below:

- Employer's (Compulsory) Liability Insurance - 10m GBP (TEN MILLION POUNDS STERLING)

- Public Liability – 10m GBP (TEN MILLION POUNDS STERLING)

- Professional Indemnity – 5m GBP (FIVE MILLION POUNDS STERLING)

.

.

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders must respond to SPD Questions 4C.1.2 and 4C.10.

.

4C.1.2 - Bidders will be required to provide one example that demonstrate that they have the relevant experience to deliver the services as described in part II.2.4 the Contract Notice or the relevant section of the Site Notice. The example should be similar in regards to scope, scale and duration.

4C.10 - Bidders will be required to confirm whether they intend to subcontract and, if so, for what proportion of the Framework Agreement.

.

No questions from Section D of the SPD (Scotland) (Quality assurance schemes and environmental standards) will be used, so no statements for those questions are listed in this Contract Notice.

.

Minimum level(s) of standards possibly required

4C.1.2 - Bidders will be required to provide ONE example that demonstrates that they have the relevant experience to deliver the services as described in part II.2.4 of the Contract Notice.

.

Bidders should consider the following as a minimum within their response:

-Name of Client

-Contact Name

- Telephone Number
- Email address
- Contract Title
- Start Date
- End Date
- Contract Value
- Scope of Contract (please answer within "Description" field)

.

(For evaluation, EXAMPLE 1 is weighted 100%)

Pass = Bidder who scores an average weighted score of 50% and above.

Fail = Bidder who scores below an average weighted score of 50%.

.

The Bidder response to question 4C.1 will be scored as follows:

.

Score – Definition

.

100 Response is completely relevant. It is unlikely that the response could be more comprehensive or be improved upon. It provides

comprehensive evidence and full assurance that the candidate fully meets the required standard in this selection criterion.

.

90 Response is almost entirely relevant. The response is comprehensive, unambiguous and demonstrates a thorough understanding of what is required in respect of this selection criterion, and provides convincing evidence of their capacity/ability/experience in this area.

.

80 Response is highly relevant. Detailed response demonstrates a thorough understanding of the selection criterion and provides a high level of detail as to their capacity/ability/experience in this area.

.

70 Response is relevant. The response is sufficiently detailed to demonstrate a thorough understanding of the selection criterion and provides evidence of a reliable level of capacity/ability/experience in this area.

.

60 Response is substantially relevant and acceptable and demonstrates a broad understanding of the selection criterion to a satisfactory depth but evidence of capacity/ability/experience in this area could have been more detailed.

.

50 Response is at least 50% relevant and acceptable. The response demonstrates an understanding of the selection criterion but lacks detail of evidence of capacity/ability/experience in this area.

-40 Response is partially relevant but evidence presented is not sufficiently detailed to demonstrate a reliable level of capacity/ability/experience in this area. There is a lack of depth of detail or understanding in many areas.

.

30 Response has some relevance but is generally insufficient. The response addresses some elements of the requirement but contains limited evidence as to the candidate's capacity/ability/experience in this area.

.

20 Response demonstrates a lack of understanding and little pertinent limited evidence as to the candidate's capacity/ability/experience in

this area.

.

10 Response demonstrates little evidence of the candidate's understanding or explanation of the candidate's capacity/ability/experience in

this area.

.

0 Nil or irrelevant response

.

.

.

4C.10 - Bidders will be required to confirm whether they intend to subcontract and, if so, for what proportion of the contract. Response to 4C.10 will not be evaluated.

.
