Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The Ministry of Defence (the Authority), intends to award a contract to Supacat Limited for the provision of The Repair of Various Jackal Assemblies and Associated Items for a period of 5 years with the option of a further 2 years. The estimated total contract value is not to exceed £1,526,000.

In accordance with regulation 4 of the Defence and Security Public Contracts (Amendment) (EU Exit) Regulations 2019 (SI 2019/697) this procurement falls to be regulated under the provisions of the Defence and Security Public Contracts Regulations 2011 as amended (in particular by SI 2019/697 and SI 2020/1450). It is considered that the award of the contract without prior publication of a contract notice in the UK e-notification service (as required by the relevant legislation) is lawful in accordance with Regulation 16(1)(a)(ii) of the DSPCR 2011 for technical reasons.

Supacat Limited are the proprietary owners of the technical documentation for these assemblies and such work cannot be undertaken without access to the proprietary design information. Without the detailed technical information for the various assemblies a supplier would not be able to ensure repaired and reconditioned assemblies were fit for purpose in accordance with the original design specifications, or maintain configuration control such as build standards, drawing and test specifications. The assemblies to be repaired under this contract are considered to be of a safety critical nature.

Please note, Babcock Land Defence Limited is acting as agent on behalf of the Ministry of Defence, in the first instance interested parties may contact Babcock with queries relating to this procurement.
